ADMINISTRATION

The quality of students, faculty, and parents of Grady is amazing. I am thankful that I have the opportunity to be associated with the Grady schools. I know that the hard work of each student is what makes this school so great. Student determination and pride are what has put the Grady School above the rest. My hope is that the students of Grady will always maintain high standards for their personal lives. I ask each one to remember: The most important goal at school is to learn and the most important thing in life is to be right with God. R.L. Richards, Superintendent

Back in control of the ball with a minute to go, the Bronchos were able to run almost a minute off the clock before San Jon managed to foul. This time, Jamie Schell hit both ends of her one-and-one.

GRADY — The Lady Bronchos of Grady claimed their state tournament bid as they overpowered the Elida Tigers 66-52.

People talked about Hobbs' swiftness. But Grady was faster. Grady was so quick, officials didn't have time to blow whistles. The Grady-Melrose final lasted 64 minutes. Shelly Lockmiller, Wendy Gerhart, and company run a *fast* break.

Junior Wendy Gerhart led Grady with 20 points while 5-foot-2 junior Shanna Sumrall added 14 points.
